PUBLIC NOTICE

TO WHOM IT MAY CONCERN:

The Charleston District issued during the month of September 2002, **37** Department of the Army permits for docks, dredging, bulkheads and other structures or works in Waters of the United States pursuant to Section 10 of the Rivers and Harbors Act of 1899 (33 U. S. C. 403 and /or Section 404 of the Clean Water Act (33 U. S. C. 1344), to the permittees listed on the attached enclosure. There was **1** application denied and **16** applications retired, or withdrawn during the month of September 2002. The denied listing also includes **1** permit application that was denied in July, but not included on the July report.

Prior to issuance of the permits, evaluation was made on factors affecting the public interest; including, but not limited to, conservation, economics, aesthetics, general environmental concerns, wetlands, historic properties, fish and wildlife values, flood hazards, flood plain values, land use, conservation, water quality, energy needs, safety, food and fiber production and in general, the needs and welfare of the people. Copies of these evaluations are available upon request.

A handwritten signature in black ink, appearing to read "Robert H. Riggs", is positioned above the printed name and title.
